STATEMENT

**ORDER REQUIRING STATUS REPORT AND SETTING STATUS HEARING
FOR CASES NEWLY ASSIGNED TO JUDGE ROBERT M. DOW, JR.**

Judge Dow recently has been assigned a large number of cases that have been pending for various periods of time. It would be most helpful for the Court to be informed expeditiously of the status of these cases.

Accordingly, counsel are directed to confer, prepare and file a **Joint Status Report** of no more than five pages. The matters to be addressed in the Joint Status Report are set forth below. In the event that the parties cannot agree on a joint statement as to any issue(s), they should note their respective positions. If defendant's counsel has not yet filed an appearance, plaintiff's counsel should so indicate and should prepare the status report. Please e-file the status report and deliver one courtesy copy by placing it in the box outside the Courtroom Deputy's office (Room 1914).

The **Initial Status Hearing** will take place at the date and time indicated above. All previously set dates for status hearings before other judges are stricken. All other dates and deadlines (for discovery, motions, trials) will be maintained until reviewed during the status hearing. In the Joint Status Report, please
